

Ahmed Faarih

WEB DEVELOPER

OBJECTIVE

With over 5 years of experience in software development, I specialize in creating efficient and scalable web applications using PHP, JavaScript, HTML, CSS, and frameworks like Laravel, Vue, Tailwind, and Bootstrap. I'm also proficient in REST API development.

EXPERIENCE

DEVELOPER (AASANDHA COMPANY LTD)

June 2023 - Present

ASSISTANT DEVELOPER

June 2022 – June 2023

Led backend enhancements for the Aasandha mobile app, improving functionality and performance. Collaborated closely with senior developers on the Vinavi system upgrades, implementing new features and optimizing the system for better user experience. My contributions ensured accurate and timely delivery of key system improvements using PHP, JavaScript, and Laravel.

ASSISTANT IT OFFICER

Nov 2019 – June 2022

Managed updates for the tribunal website and helped build a case management system to improve efficiency. Provided IT support, troubleshooting hardware, software, and network issues, while assisting in various IT projects to ensure smooth operations.
